Dear Mr. Hunter:

Let me apologize for this delay in thanking you for your April letter to the President concerning Soviet Aggression in Afghanistan and the resulting influx of refugees into Pakistan. In your letter, you recommended that the President consider sending a high level mission to the refugee camps in Pakistan in order to demonstrate our compassion and concern and to highlight America's continuing interest in the need to secure our vital interests in Southwest Asia and the Persian Gulf region.

Please know that your detailed assessment of these matters is most appreciated. I have taken the liberty of transmitting your comments and suggestions to the President's national security advisers for substantive analysis and response. I am certain that your views will be carefully considered.

Again, my thanks for writing and sharing your ideas with us.

With cordial regard, I am

Sincerely,

Max L. Friedersdorf  
Assistant to the President
